Prof. W. Hausner, the famous mesmerist, of therea, N. Y., whitest Some ten years ago I affired untoid agony from chror's mast cateria, dy family physician gave me up as neurable, and said I must die. My case was such a bad one, that every day, towards sunset, my vides would become so hearse I could be a caghing and clearing of 2. throat would almost strangle me. By the Lse of Dr. Sage's Calarrh Remedy, in three months, I was a well that said the cute has been permanent."

### " Constantly Hawking and Splitting."

THOMAS J. RUSHING, ESQ., 2002 Pine Street, St. Louis, Mo., writes: "I was a real sufferer from catarrh for three years. At times I could hardly breathe, and was constantly hawking and spitting, and for the last eight months could not breathe through the nostrils. I thought nothing could be done for me. Luckly, I was advised to try Dr. Sage's Catarrh Bemedy, and I am now a well man. I believe it to be the only sure remedy for estarrh now manufactured, and one has only to give it a fair trial to experience astounding results and a permanent oure."

A complete Treatise on Catarrh, giving valuable hints as to clothing, diet and other matters of importance, will be mailed, post-paid to any address, on receipt of a two-cent post-sage stamp.
